

Declaration of consent for participation in the photo competition »Pflanzen und ihr Mikrokosmos« as part of the project TRR356 *PlantMicrobe* Ö01 Outreach

Participation in the photo competition requires the consent of a legal representative for minor participants between the ages of 13 and 17. Participation in the photo competition can only be considered if a declaration of consent has been completed and signed accordingly.

The declaration of consent must be signed by hand and then submitted in scanned or photographed form together with the photos by email (pflanzen-mikrokosmos@bio.lmu.de).

I agree that the participating person may take part in the photo competition as part of the project »TRR356 PlantMicrobe Ö01 Outreach«. The participant has taken the photos him-/herself and holds all rights to them.

I also agree that the photos may be shown in the exhibition and in connection with publications about the competition and the exhibition in print media and on the internet. This consent can be revoked at any time via pflanzen-mikrokosmos@bio.lmu.de.

I have read the conditions of participation and accept them.
